

Eternal Love

Key of C

Dave Wellington

C **Am**
I have heard the song coming down from heav'n
Fmaj7 **C**
Calling me to worship now, causing me to bow
Am
As the angels sing, worthy is the Lamb
Fmaj7 **C**
I can feel my spirit rise from within my heart.
Em **F** **F/Eb**
Let my voice be heard before Jesus' throne
C/D D/F# **G** **G/F**
As I honour Him, as I lay my crowns
D/E **E/G#** **Am** **G** **F**
All within me cries glory to the King and then
C/E **Dm7**
Time, it fades away,
F/G **C**
I'm overwhelmed again by Jesus' love for me

C2 **G2/B** **Am** **F**
I am falling deep in love with Jesus
C2 **G2/B** **F/A** **F**
And His love draws me to worship Him.
C2 **G2/B** **Am** **F**
I will live and love and breathe my saviour
C **G2/B** **F/A** **F**
And eternal love shall be my song.
C **G2/B** **F/A** **F/G**
And eternal love shall be my song.

Now I feel the wind; it's the Spirit's breath,
Causing me to rise above, calling me to soar
Living creatures cry holy, holy Lord
To the one who was and is and is to come.
Let my voice be heard with the mighty throng
As I offer praise, as I join the song.
All my soul agrees, Holy is the King, and then,
My face is filled with tears

Of wonder and of awe at Jesus' love for me.
