

I have been lifted up

Key of Em

(Glory & Fire version)

Em **Am**
I have been lifted up,
D **G** **D/F#**
Lifted up to the heavenly places.

Em **Am**
I have been lifted up;
D **G**
Seated now with Christ.
(Repeat)

Bm **Em** **D/F#**
1. Once, once I was dead, dead in my sin,
G
Dead to your way of living.

Cmaj7 **G/B** **D**
You, You were a dream ever so far away.

Bm **Em** **D/F#**
There, there came a day, day of your will,
G
Day of my destination.

Cmaj7 **G/B** **D**
You, You stole my heart making me so alive.

2. Now, now I have peace, peace in my heart,
Peace with almighty living God
And You have sent, sent Your own Spirit.
We, we have been joined, joined two as one,
Joined as a holy temple.
Now, no longer alone, I'm part of Your family.

Bridge

E7,#9
Lifted! I've been lifted
Lifted! I've been lifted (repeat)
