

Salvation's Plan

G/B G D C Am D
What tale is this? That Salvation's Plan
C G/B Am G D
Would hold that God should become a man.
G/B G D C Am D
Yet in - to time and in - to form,
C G/B Am C/D G
The Son of God as a babe is born.

D D/F# G
And at his cry the Angels sing;
C G/B Am G D
The hosts of heaven come to worship Him;
D D/F# G
Darkness shines as day over Bethlehem,
G/B C G/B Am C/D G
To crown the King in a man - ger lain.

**What love is this? That this man full-grown
Should, with his word, show the way to heaven.
Yet with each sign, thus His fate is sealed -
The Son of God to a cruel cross nailed.**
*And at His death the earth is stilled
As, with His blood, heaven's plan is sealed.
"It is finished", now, then he breathes his last;
A borrowed tomb waits for heaven's best.*

**What grace is this? That the King we killed
Would cry, "Forgive" for this broken world;
That for all time and for all kind,
Faith, hope and love would such power find!**
*Sin's force destroyed, Death's gates torn down,
The Son of God rises for His crown
In the hearts of all who own His name.
Salvation comes to the earthly realms!*

**What story this, which shall never end?
For who can part from our Greatest Friend?
Beyond our time and beyond our form,
One day we'll stand in our final home.**
*And we shall join with heaven's song;
The highest praise since Creation's dawn!
We will honour Him ruling God's domain
And live complete by Salvation's Plan.*
